

Seeking a Licensed Optician/ Contact Lens Fitter

We are a fast-paced, family focused practice in Sydney, on Cape Breton Island in Nova Scotia. Our office takes pride in offering our patients a warm and modern experience. We believe in offering our patients all the newest technologies and/or treatments available for their eye health and eyewear (including digital measurements). We thrive to be on the cutting edge for all things eyes and we back this up by having equipment unique to Cape Breton, and in some cases Eastern Canada! We specialize in dry eye, contact lens fits, kids, concussion and vision therapies.

We're looking for an outgoing team player, who loves helping patients look and see their best. This person should have an interest in fashion trends and be skilled at eyeglass measurements, adjustments, troubleshooting and repairs. Experience conducting contact lens fittings and training would be considered an asset. We require that the successful candidate enjoy learning about the newest features available in eyewear technologies and be able to demonstrate this to our team. To get a sense of our clinic please visit <https://www.islandeyecare.ns.ca> or <https://www.facebook.com/cbislandeyecare>

Salary is within the range of \$22-30/hour and is dependent on experience and qualifications. A relocation bonus could be negotiated for an experienced candidate.

Office Hours will be between Monday and Saturday. As an added perk; our office closes on Saturdays during July and August so we can all enjoy summer.

For an opportunity to discuss joining our team, please send your cover letter and resume to Carissa MacInnis at cmacinnis@islandeyecare.ns.ca.
